GLOBE® ATHLETIX™ LETTERING GUIDELINES

This chart provides basic guidelines for the amount of lettering available in specific locations. It also reflects available space on a 1-line letter patch. In some cases, more room is available when the lettering is applied directly to the back of the Jacket and not on a patch. If more room is required, arching the letters may be a solution.

AVERAGE MAXIMUM LETTERS

Per 1-Line	2"	3"
ROW A	12	8
ROW B	13	9
ROW C	13	9
ROW D	13	9
ROW E	12	8
ROW F	12	8
ROW G	12	8

Note: This Bulletin contains only a general description of the products shown. While product uses and performance capabilities are generally described, the products shall not, under any circumstances, be used by untrained or unqualified individuals. The products shall not be used until the product instructions/user manual, which contains detailed information concerning the proper use and care of the products, including any warnings or cautions, have been thoroughly read and understood.
